THE
BUTTE
Theater

"...to create unique theatrical experiences through the preservation of classic melodrama, the presentation of original and traditional works, and the education of our youth..."

THE BUTTE *Theater*

The Butte Theater is a 501(c)(3) public nonprofit corporation that supports community and professional events at the historic Butte Theater in Cripple Creek, CO. In support of our mission, The Butte Theater endeavors to enrich the lives of residents and visitors to the area through three main programs:

- **Professional Theater** - bringing the highest quality of entertainment and classic melodrama to Cripple Creek.
- **The Community Season** - creating a home for entertainment in the local community.
- **Spotlight on Students** - fostering arts education and appreciation in our youth.

With the help of donations from supporters such as you, we will continue to see improvements in the quality of life here in Teller County, tourism to the district, and the overall health of the arts in Cripple Creek.

Spotlight on Students

Spotlight on Students is our theater education program that focuses on engaging the youth in our community to be active members of the theater through the following programs:

- **Tickets for Kids** - an opportunity for students in CCV and local schools to attend live, professional theater for free. In 2018, we are looking to provide 500 tickets to students in Teller County.
- **Jr. Players Program** - a volunteer program for students 7th grade and up to train and participate in a wide range of theatrical areas: concessions, ushering, sound, lights, costumes and props, backstage crew, and being a good community ambassador at festivals and events. Students who participate receive a Season Pass to our Professional Season.

The Butte is looking to create a generation of students who not only appreciate theater, but who engage in their local arts community.
