

Butte Theater Cancels Events

As the number of cases of Coronavirus (COVID-19) continues to increase, it is our highest priority to protect the health and safety of our patrons, staff and our community. In an effort to help minimize potential COVID-19 virus exposure and transmission, we are following CDC recommendations with regards to large group gatherings and have made the decision to cancel several upcoming theater events.

If you have tickets to any affected performance rest assured that we will be contacting you via email or phone as soon as possible to outline your options. We're prioritizing by performance date and anticipate addressing all affected programming in the next 30. As you might expect, we're experiencing a high volume of calls as a result of this announcement. We greatly appreciate your patience as our staff manages these unexpected season changes and we request that you hold off on calling until you've received an email update with regard to your specific performance(s).

As of today, March 25, the following productions are affected:

- Free movie nights through April 19
- Cripple Creek Movie event April 4
- The May community show Suite Surrender

We thank you for your understanding and patience and look forward to welcoming you back soon!
